

THE Heritage Society

A PROMISE TO THE FUTURE

Our vision is a world that is a community free of alcohol and other drug addiction, misuse, and related problems. Commitment to upstream prevention education, early intervention, and comprehensive community support is a promise to our community's young people and future generations that we will not stop fighting for a better world for them.

A planned gift to PreventEd ensures that a cause you believe in always has your support. Join the Heritage Society with a planned gift to pave the way for a better tomorrow.
